

Christian Schools Workers Hastings

Year 6 transition.

Hello School Staff and Year 6 Students.

This help sheet goes with the Moving On book and can be used at school or home.

What is the Moving On book?

Lots of activities, information and advice to help year 6 students with their move from primary to secondary education.

Who produced it?

Sarah and Nairne, the Christian Schools Workers, with great help from former Team Leader Lucy, produced the book and videos on the website that go with it.

What does it cost?

It is a gift to every year 6 student in Hastings, St. Leonards, Westfield and Guestling. Local churches, Christians and CSWH supporters have paid for the books. Schools can make a donation if they wish.

How is it used?

Normally, the Christian Schools Workers come into each school for a day and, together with the year 6 students, go through the book. This year, as they can't do that, the book has been rewritten so it can be used in class by a member of staff and the year 6 students, or at home by year 6 students on their own, or with adult support. By going to the CSWH website at www.cswh.co.uk you will see videos of Sarah and Nairne so they can help you with the activities.

We hope you find it helpful and hope that every student's move on to secondary school will be a step taken positively and with confidence. If you have any questions, please email us at team.leader@cswh.co.uk.
